

# Confirmation

**Pastor Lynn teaches Hope's youth the basics of Christianity preparing them to affirm their Baptism as young adults.**

**Tuesdays at 7:00 pm Classroom 1**

Confirmation class at Hope is a two-year curriculum that helps effectively prepare students for Lutheran confirmation. Students experience a connection between their baptism and their affirmation of Baptism in each lesson. Students also come to a better understanding of how their faith connects to real life.

Three adult members of the congregation - Deacon John Chiappetta, and lay leaders Renate Wilms-Rovin and Steve Northsea - aid Pastor Lynn in her efforts to use solid Biblical and Lutheran theological content to connect students to a Lutheran heritage.

Pastor Lynn makes the classes more interesting and relevant to today's learners as she adds videos, music, and other multimedia resources to the traditional readings and discussions. This approach helps the students along a journey of learning and growth that takes them into adult Christianity.
