

## **“Love is in the Air”**

No it is not just the Love Boat Theme it's our annual Valentine's Day card ex-change theme.

A basket in the narthex will hold a copy of all of our members, on a small slip of paper with names and addresses.

Please take one or two, so everyone receives a Valentine card this year. This might be the only card that they receive. If you don't want to mail it then put it in their church mailbox.

Let's go with it and have fun!

Happy Valentine's Day!
